AUTHOR CONTRIBUTION STATEMENT
(the corresponding author)

First and last name …………………………………………………………………………………..

Affiliation ……………………………………………………………………………………………

I hereby certify that I am the author/coauthor of the manuscript on:
………………………………………………………………………………………………………...
………………………………………………………………………………………………………

submitted for the publication in the Engineering & Protection of Environment.

By submitting this form, I certify that:

• the manuscript is original and does not infringe the copyright, or violate other personal
  or proprietary rights, of any third party,
• the manuscript has not been published before and has not been submitted for
  publication elsewhere,
• if manuscript is accepted for publication the author agrees to automatic and free
  transfer of the copyright to the publisher allowing the publication and distribution of
  the submitted material,
• the authors certify that the manuscript will not be published elsewhere in different
  language,
• all sources of funding have been listed in the acknowledgments,
• the manuscript is original and does not include any contents from other work that
  would impose any responsibility on the publisher,
• the authorship rights to this manuscript are not limited within the scope of this
  statement,
• the publisher has the right to make necessary changes to the manuscript in order to comply with the editorial requirements,
• all the authors listed in the manuscript are familiar with the manuscript contents and have agreed to its publication,
• the authors listed in the manuscript are the sole authors that contributed to the manuscript submitted for publication.
